Water Conservation

EZI-WET® WATER SAVING SOIL WETTER

- EZI-WET® works by helping the water penetrate the soil avoiding water wastage
- Water savings guarantee attested by the Smart Approved Watermark certification
- Saves up to 50% water in the garden
- Earthworm and aquatic friendly
- Granular carrier is organic

PRO-MULCH® ORGANIC WATER SAVING MULCH

Australian Standard
AS 4684 Lic 1991
Lic 2076 Lic 2056
Lic 20814
S41/03044

Proven to save 45% water

- Fully composted open black mulch
- Reduces evaporation & retards weed growth
- Improves soil quality as it breaks down
- Promotes earthworms and beneficial soil microbial activity
- Tested and proven to save at least 45% water
- With added EZI-WET® water saving soil wetter for improved water penetration

More Great Products

PLAY SAND

- Screened and washed white sand
- Selected from a clean weed free environment
- Ideal for new sand pits or to top up existing ones

Great for kids

NATURAL AQUATIC PLANTING MIX

- The ONLY Aquatic Planting mix on the market
- Made from 100% natural minerals, non-toxic
- Holds plants firmly in place without clouding the water like peat moss based soils, or clogging pumps like foam based soils
- Ready to use
- Retains oxygen and nutrients for aquatic plants to absorb
- Neutral pH - safe for most fish and water environments
